Our Birchwood Nursing & Rehabilitation Mission

Among our favorite missions is serving the residents of Birchwood Nursing & Rehabilitation here in Cooper, TX. One of our longest running programs, New Hope Church members gather for group concerts at Birchwood monthly; we host group birthday parties a few times each year, and we are regular luncheon sponsors. Our joy comes from helping to spread God's love, and His word, through song, merriment, and other special events.

Almost everyone who attends New Hope Church knows someone at Birchwood, and we have a few members of our church who have recovered or reside there. We hold a special place in our heart for the residents and staff at Birchwood; often lifting them up in prayer.
