Our Fruitful Harvest Mission

New Hope Church is honored to provide financial and spiritual support to this God-honoring mission. Our support for this mission began when we learned of the devastation caused by a tsunami in 2014 in the Philippines, and our subsequent love offering to help them rebuild. Since that time, we have become a faithful partner to this Fruitful Harvest ministry; and are so proud to have had a sponsored-church named after our own New Hope Church in 2015.

Started years ago in Sulphur Springs, TX by Charlie and Melba Sickles, this international ministry helps spread God's word, and His love, to countries around the world by building churches, orphanages, and seminaries. Today, Fruitful Harvest is present in Mozambique, Honduras, and the Philippines.

In addition to their international missions, they also support local ministries such as a local food bank and a prison ministry that reaches across the State of Texas.
