An Invitation to Come Worship with Us

We the members of New Hope Church extend an invitation to you to come worship with us whenever you get the opportunity. We are always excited to welcome new friends and neighbors into our little country church, and we look forward to sharing our faith with you during one of our services.

Our Sunday morning worship begins at 09:45am, with coffee and doughnuts provided in our fellowship hall starting at 09:00am. Whether a fresh cup of coffee, tea, or on those chilly Sunday mornings warm cider or hot cocoa, we invite you to come and meet our family of members and fellowship with us.

Our Sunday morning worship services always begin with a welcome from one of our members, singing, and weekly announcements of upcoming events. We also sing Happy Birthday and Happy Anniversary to those celebrating in the coming week, and we review our church's Prayer List and Praise Reports. Following our prayer time, we invite children of all ages to attend our optional Children's Church (held in our Fellowship Hall) to explore an often interactive lesson on Christianity.

Following more praise through song, Pastor Dean Eudy delivers the morning message.

We also have a nursery room available, if needed, that provides visibility into the sanctuary and adjustable speakers so that you might listen along to the message or activities while caring for your precious infant. At New Hope Church, you'll find our members love to hear the "little ones" during our services, but we recognize that some parents would prefer the nursery at times.

Generally, morning worship services end around 11:00am. On occasion, services last longer as we observe one or more ordinances of our church; namely The Lord's Supper or a Baptism.

Our Sunday evening worship services begin at 6:00pm every Sunday, and last for approximately one hour. Our typical evening service consists of group singing, followed by a lesson presented by one of our church members. Whether it's a video presentation, or an in-depth look into a particular spiritual subject, our evening worship services are always spirit-filled and God-honoring.

Separate Men's and Ladies Bible Study sessions beginning at 6:30pm on the second Wednesday of every month, usually lasting 30 to 60 minutes. Bible Study is followed by an open Board of Directors meeting that every member is invited to attend.

We look forward to meeting you at New Hope Church in the future; and we can't wait to begin sharing our walk in faith with you and your family.

Sincerely,

The Members of New Hope Church
