

Our "Never Forgotten" Card Project

Too many times, we get so involved in our own daily lives that we forget our young men and women who are serving in the military in some far away land—protecting our freedoms and way of life. Throughout the year, members of our church prepare Christmas Cards for delivery to deployed service members. With each card, we provide an inspirational message and thank them for their service to our country. As we have numerous veterans in our congregation, this program strikes a chord as we remember how precious it was to receive something from home.

Each year, many boxes of cards from New Hope Church are sent, combined with other churches, schools, and organizations who also support this worthwhile endeavor, and delivered to military installations around the world. Our military is a group that we pray for unceasingly. We pray for their safety, we pray for God-inspired leadership to ensure their mission success, and we pray for their families who often wait with fear and trepidation that the next telephone call or email will bring news of loss.
